Dear Feng Shuo,

Congratulations on your successful completion of SOC Summer Workshop 2021 (8 May – 28 July) organised by the School of Computing, National University of Singapore!

Your performance in the topic you participated in (with total effort equivalent to that of a course in a regular semester in our School), evaluated based on assignments, quiz, and project, is as follows:

Topic	Performance
Embedded System and Deep Learning	A+

Interpretation of Performance

A+	A	A-	B+	B	B-	C+	C	C-	F
Excellent			Good			Pass			Fail

Yours Sincerely,

Tan Tiow Seng (PhD)
